

## WELCOME TO THE ZOLLPACKHOF

### THE FIRST INN IN THE 17TH CENTURY

In November 1685, Elector Friedrich Wilhelm laid the foundation stone for our present Zollpackhof. Only a few years later, the Huguenot Menard opened an inn with a garden in the „Moabiter Werder“. It soon became a popular destination for the Huguenots living in Berlin and for Berlin's high society.

In cooperation with the **Augustiner** Brewery, the oldest brewery in Munich, Zollpackhof was extensively renovated and rebuilt in 2016, following old building plans from the turn of the century, so that a modern and cozy inn with a beer garden could be created directly in the government district. In terms of cuisine, we aim to delight you with traditional German specialties, of course including regional influences. In addition, a freshly tapped **Augustiner!**
