

## WELCOME TO THE ZOLLPACKHOF

### THE FIRST INN IN THE 17TH CENTURY

In November 1685, Elector Friedrich Wilhelm laid the foundation stone for our present Zollpackhof. Only a few years later, the Huguenot Menard opened an inn with a garden in the „Moabiter Werder“. It soon became a popular destination for the Huguenots living in Berlin and for Berlin’s high society.

In cooperation with the Augustiner Brewery, the oldest brewery in Munich, Zollpackhof was extensively renovated and rebuilt in 2016, following old building plans from the turn of the century, so that a modern and cozy inn with a beer garden could be created directly in the government district. In terms of cuisine, we aim to delight you with traditional German specialties, of course including regional influences. In addition, a freshly tapped Augustiner!
